A Season in Full Bloom

You may remember **Elizabeth** as our case manager, you may remember her as our Social Service Director, but now you'll know her as our Executive Director! Elizabeth accepted the position in April 2022. We are extremely excited about Elizabeth's passion for Pam's Promise and cannot wait to see how she helps our organization flourish in the years to come! Her forward thinking, strong work ethic, and can-do attitude are inspiring to the Board, and we are very excited to have her serve in the Executive Director position.

"Sometimes the bravest and most important thing you can do is just show up." -BreneBrown

"Pam's Promise helped me in so many ways. They gave me a safe and clean environment, gave me resources I needed and taught me how to budget. They showed me how to set goals and accomplish them. I am very thankful for this program."
